Do you work with families who may not have the resources to provide dental services to their children? If so, then come learn about the Ontario Healthy Smiles Program.

Healthy Smiles Ontario is a new, no cost dental program for children 17 and under who do not have access to any dental coverage and who meet the program's eligibility requirements.

The program covers regular visits to a licensed dental care provider, such as a dentist or dental hygienist, to establish and maintain good oral health. It covers a full range of dental services including check-ups, cleaning, fillings, x-rays, scaling and more.
