# FAMILIES AND VOLUNTEERS NEEDED

ALL WE CAN BE . . . AS A  
FAMILY

The "**Caithkin Family**" is committed to supporting each **child's individuality**, meeting their needs, and providing a safe and nurturing home.

As a **team of "parent therapists"** and community resources, we strive for continuity, permanency planning and community integration to assist each child to be the "**best**" they can be.

**Caithkin Treatment Foster Homes** is an agency licensed by the Central East Region of the Ontario Ministry of Child and Youth Services. We provide foster placements for children referred to us by the province's Children's Aid Societies. We are currently seeking families in Simcoe County who are interested in providing a nurturing and caring environment for a child (ages 0–18) in need, as well as volunteers to support our Drive Program.

For further information on our program and for ways that you may be able to be involved, please contact our head office at:
