

Network Team Displays

Please make sure you visit each of the Displays. Network Team Displays will provide insight as to what makes for a successful team. The teams will also highlight their “reason for being” and why they are so passionate about the work they are doing and what it is they hope to achieve.

Team Displays		Team Members
Collingwood Augmentative Communication & Consultation Team	At 19 years of age, Jamie, a student at Collingwood Collegiate Institute (CCI), who up until now has been unable to communicate, is for the first time able to tell her family, her friends and teachers exactly what is on her mind. Jamie is finally able to let us into the world in which she has been trapped for so long. This display will focus on the inspirational story of Jamie and how her family, school and team of professionals has worked to help her achieve the communication abilities we all knew she had inside. We can't wait to see what Jamie will tell us next!	Jamie Jamie's Family Laura Hackett (The Speech Clinic) Joanne Brown (The Speech Clinic) Enid Mackle (Closing the Gap)
“The East Enders” Early Intervention Service Team	This Local Early Intervention Service team based in Markham will showcase in a creative and engaging way the different components of their team (EI's, OT, PT, Supervisor, Admin staff). They will demonstrate how they have established and maintained different community partnerships and how these partnerships have thrived. The team will show how they have connected with the community and how they are continuing to keep members engaged and involved.	Region of York, Markham Early Intervention Team Staff: Rita Bagai, Claudine Burrell, Rosario Dizon, Mary Garcia, Besy Haines, Nancy Headdon, Cathy Horlick- Sarah Horton, Michelle LaFontaine, Carol Poplak, Linda Rosner, Jennifer Simmonds, Melanie Tsironikos, Susan Welch, Sara Woodruff,
Simcoe County District School Board (SCDSB) Special Education Coaching Team	This display will reflect on the process of moving from a reactive, consultative model to a proactive, coaching model. The essential components ensuring a smooth transition are building a strong team and sharing a common message. The team extended beyond the designated coaches to include school staff (Principals, teachers, educational assistants) and community agencies (Kinark, SSP, Closing the Gap, Compass). The team will highlight the steps in establishing a team and their next steps.	Hailey McLean (Simcoe County District School Board) Sue Ducau (Simcoe County District School Board)
Respite services.com Simcoe County	Respite is an important part of any plan. This display will not only highlight how individuals from two agencies have come together to work as a team to ensure information about respite services is readily available but also how Respite Coordinators could be included in Child and Family teams.	Carolyn Harris (Simcoe Community Services) Anna Dekoter (Catulpa Community Support Services)

Building a Single Plan of Care – It takes a Team!	This Child and Family Team will highlight how a well functioning team contributes to the building of a successful single plan of care. The team will also showcase some of the tools that have facilitated communication among the team members.	Deborah Sulima, (Region of York ,) Mary Ellen Scriver (Region of York) Michelle Fava (CNIB) Ruth Harvilla (Region of York)
Preschool SMART Goals	This dynamic duo will showcase together with the Orillia Preschool Local Team how they have been successful in producing a training package for the development of common SMART goals across disciplines. Challenges have included a lack of understanding what SMART goals are and their inconsistent use by Early Intervention Workers, OT's, PT's, and SLP's. The team will provide a handout which defines SMART goals and provides examples of how to word them. Next steps in this process include developing SMART Goals with a Child and Family Team.	Betty Southorn (Catulpa Community Support Services) Paul Leishman (Orillia Soldiers Memorial Hospital)
Working and Playing Together at the Oak Ridges Multi-Service Hub	The Oak Ridges Multi Service Hub for Children and Youth houses the Children's Treatment Network York Resource Centre, Preschool Speech and Language and Early Intervention Services. These 3 services work seamlessly together to provide quality service but still have time to do a little playing together.	Linda Wheeler (Region of York) Elizabeth Berry (Region of York)
Joint Management Team: Better Care Through Better Communication & Education	Children's Treatment Network Joint Management Service provides orthotic and spasticity management services to children and youth across Simcoe County and York Region. Communication between the Local therapists and the Joint Management Service is critical to providing effective interventions. The team will outline how communication and education efforts result in optimum care.	Sarah Bellman Brown (Southlake Regional Health Centre) David Howell (Orillia Soldiers Memorial Hospital)
Safehaven Project for Community Living	This team display will highlight the positive impact and benefits of respite care in the community. The team will highlight how working together they have been able to grow and diversify the respite services available to the community of families caring for a child with complex medical needs.	Cheryl Davies (Safehaven) Elsha van der Linden (Safehaven) Christine Greve (Safehaven)
Meaghan's Team – Transition to Adult Supports	As Meaghan becomes an adult access to appropriate services becomes a critical part of her plan. This Child and Family Team display will highlight the team work involved in moving from youth services to adult supports. The team will share the challenges and successes and their planning with Meaghan and her family to date.
